

Townsville industry business breakfast

You are invited to attend the Townsville Industry Business Breakfast. The breakfast will present future work opportunities available in the North Queensland region.

Hansen Yuncken

- Dale Steele**, North Queensland Regional Manager, **Hansen Yuncken** will provide an overview of the \$35 million Clinical Practice Building project being delivered at James Cook University's Douglas campus together with an insight into opportunities for suppliers and subcontractors. 'Early works' have commenced on site and completion is scheduled for mid-2013.

Townsville Airport

- Isabelle Yates**, Business Development Manager, **Townsville Airport** will provide an overview of the Townsville Airport Master Plan. Some of the key work activities include:
 - Terminal redevelopment
 - Internal road network improvement
 - Apron expansion

The Townsville Industry Business Breakfast series is supported by the Department of Employment, Economic Development and Innovation, Industry Capability Network, AusIndustry, Townsville Enterprise Limited and Building Industry Online.
